

BEFORE
THE PUBLIC SERVICE COMMISSION OF
SOUTH CAROLINA
DOCKET NO. 89-7-E - ORDER NO. 89-207
FEBRUARY 28, 1989

IN RE: Adjustment of Base Rates for Fuel Costs) ORDER
for Carolina Power and Light Company)

On January 30, 1989, Nucor Steel (Nucor) filed with the South Carolina Public Service Commission (the Commission) and served on Carolina Power and Light Company (CP&L) its Third Set of Interrogatories and Requests for Production of Documents in the above captioned matter. On February 6, 1989, CP&L filed with the Commission its objections to those interrogatories. The Commission agrees with CP&L that the time period for responding began on January 30, 1989 due to the fact that Nucor's interrogatories were initially telefaxed to CP&L on Friday, January 27, 1989, after 5:00 p.m.

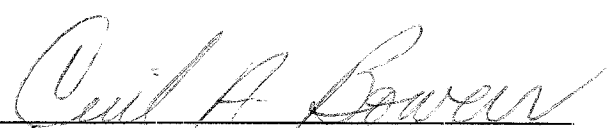

An extension is granted until February 21, 1989, for CP&L to respond to Interrogatories numbers 1.3, 1.22, 3.12, 3.13, 3.14, 3.20, 3.21, portions of 3.10, 3.17, 3.18, 3.19, 3.22, 3.23, and 3.24.

The Commission upholds CP&L's objection to updating 1.29. The Commission has previously addressed this issue concerning data prior to March 1, 1988. The Commission also upholds CP&L's objection to interrogatory number 1.8. The Commission has

previously addressed this issue in Order No. 88-967. The Commission upholds CP&L's objection to number 3.2(D), however, paragraphs A, B, and C of 3.2 should be responded to by CP&L. As to number 3.4, the Commission upholds CP&L's objections to providing material prior to March 1, 1988. However, the Commission orders CP&L to answer number 3.5. CP&L should provide the information requested for all units for the years 1986, 1987, 1988, and 1989. The Commission upholds CP&L's objections to number 3.6. The Commission upholds CP&L's objections that the requests in interrogatories numbers 3.8(b), 3.9(b), and 3.11 are overly broad and unduly burdensome. CP&L must make these files available to Nucor at CP&L's plant site for inspection. The Commission finds that CP&L should provide all documentation requested in numbers 3.15(j), 3.16(g), 3.17(g), 3.18(m), 3.19(j), 3.20(j), 3.21(e), 3.22(h), 3.23(b), and 3.24(b).

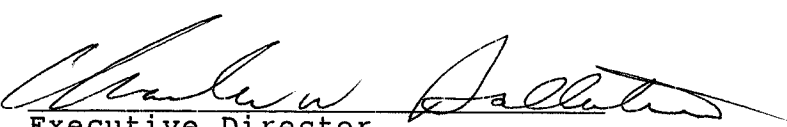

IT IS THEREFORE ORDERED.
